Imperial Deputies of Desert,

Greetings,

In support of many of your requests, Imperial Potentate Chapman approved the I.C.E.D. department to conduct a second virtual creation for Novices that are waiting in your various Temples across the domain.

Here are the particulars:

What: Virtual Creation

When: April 10 (contingency date: April 17)

Where/How: Zoom Virtual Platform

Why: To support our Temple's/Oases/Deserts/Imperial Council

Who: Novices in waiting

What I need from each Regional DoD:

1. Each "Regional" DoD will provide a list of novices to me NLT March 20. This date will allow enough time for the I.C.E.D. department to contact the Novices, relay expectations, and solidify the planning for the event.
2. Each list will include the following: Full name, home address, email address, phone number, Temple name, Oasis, and Desert. Note: I will send out the template to all Regional Deputies for their use.
3. DoO and DoD will ensure all Novices have the required background check completed before starting the petition. After receiving the approval letter from Ms. Krystal Macintosh, the DoD will forward a copy to me.
4. DoO and DoD will ensure each Novice completed or will complete all required training (Novice Orientation Training) prior to March 20.

5. All monies, petitions and copy or copies of approval letter(s) must be in the office of the Imperial Potentate No Later Than April 7, 2021. Method of mailing will be Federal Express (FedEx) or United Parcel Service (UPS)

6. If you have questions, please email me. You can also contact HPIP Dwayne E. Thomas Director of ICED Department or Richard Adams Deputy Chief of Staff 985-859-8651
